CORRESPONDENCE

Hi Mom:
Just thought I'd write and tell you that so far I haven't forgot anything that I have noticed. Tell Dad that I told him to be quiet about having the car. broke down because we did have a little trouble. One of the wires burned out + took 2 hours to fix. we got up here after 12 but everything is O.K. Tell the kids I was asking for them. See you Friday. Love Eddie
